Information about NENA

NENA is the professional nursing association for Canadian Emergency Nurses-RNs, NPs, Reg. Psychiatric Nurses, LPNs and RPNs who work with in an Emergency setting in Canada. We are a not-for-profit organization

Our Mission:

- Design and promote professional development opportunities for emergency nurses.
- Facilitate information sharing-networking among emergency nurses
- Lead and promote research into emergency nursing issues
- Promote the specialty of emergency nursing within the Canadian Nurses Association.
- Encourage and support Emergency Nursing Certification in Canada (ENC(C)) through the CNA. Bursaries are available for NENA members for this purpose.
- Represent and interpret the role of emergency nurses to other professions and within the healthcare and health sciences communities.
- Establish and publish position statements on emergency nursing standards and practice.
- Advocate for emergency nurses, patients, and families on emergency nursing issues.

Benefits of Membership:

National membership includes membership in the applicable provincial/territorial organization.
