

Call for Resolutions

This is our annual call for resolutions to be discussed at the 2018 AGM. The deadline to submit them is Monday, March 19, 2018.

A resolution is a motion identifying a topic of importance to our membership, expressed formally in writing, including a summary of the reasoning and identification of proposed actions to be taken by NENA. Resolutions may be authored by the NENA Board of Directors, NENA Committee members and voting members of NENA.

Members should use resolutions to raise issues for consideration by the NENA board. *The board may take the action, may request other agencies to take a particular action, enter into discussion about a particular issue with another agency, or may not take any action.* When drafting a resolution, keep in mind that the wording should be clear, concise, and specific. The subject of a resolution must align with the vision, mission and strategic priorities of the National Emergency Nurses Association. The substance should be well researched and reflect the character and interests of NENA members.

Issues addressed as resolutions should be those that warrant discussion by the general membership. Otherwise, the issue may be submitted to the President at any time throughout the year.

Resolutions not received before the deadline can still be considered at the AGM as a motion from the floor. A motion from the floor needs a two-thirds majority vote to be considered.

Resolutions must be submitted electronically to secretary@nena.ca.

Deadline: Monday, March 19, 2018

The NENA AGM will be held on April 20, 2018 in Kelowna, BC.
