Renewal Option-1 day course

See details below

LOCATION: Virtual

Zoom Link will be provided to confirmed participants

Registration Deadline- August 7th 2024

COURSE DESCRIPTION

The Trauma Nursing Core Course (TNCC) 9th Edition is a trauma course designed by nurses for nurses. This course is designed to provide the learner with the core or basic knowledge as well as the psychomotor skills required for trauma nursing care. It uses a variety of learning methods for an interactive learning experience.

****Renewal option – One day of instructor-led classroom time with skills testing, an online exam, and required pre-course work.** This TNCC option is for registered nurses (or the equivalent as defined by the student's country of practice). RNs are verified as a TNCC provider after successful completion of the course.

Participants registering for the 1 day renewal, MUST be current in the 8th Edition.

Online modules are a prerequisite to the course. They prepare the learner for the in-class portion of the course. The skills and knowledge acquired in this course are adaptable to be used for your everyday practice needs.

This course is internationally recognized as the premier course for nurses. It has been established in the United States, New Zealand, Australia, United Kingdom, Scotland, Ireland, Netherlands, Hong Kong, etc. This course is recognized and a prerequisite for the U.S. military medical going overseas. Many of Canada's troops deployed to European destinations have also completed this course. TNCC has a four year certification period.

The course contains both a theory and hands-on component. There are skill stations with hands-on practice: Trauma Nursing Process-mock scenarios are given; the participant assesses, identifies problems and manages them appropriately.

Participants will be required to show completion of their online modules prior to acceptance into the course.

Registration is limited.

Entry to the course is on a first come, first serve basis

Please note that pre-registration is required

****Refunds cannot be given to those cancelling with less than 30days notice ****
