

Dear NENA Members,

The National Emergency Nurses Association (NENA) is pleased to announce the upcoming annual Conference will take place in person on May 30-June 1, 2025 at The Delta Bessborough Hotel in Saskatoon, Saskatchewan.

NENA is dedicated to providing a conference that both supports the development and promotion of emergency nursing excellence and showcases the expertise of emergency nurses across the country. The conference will occur over three days and includes preconference opportunities, workshops, training sessions, plenaries, breakout speakers, and vendors. The conference theme for NENA National 2025 is “InspirED to Empower, Adapt and Thrive in Emergency Nursing”.

We are seeking people interested in presenting a training session, conference, or workshop relevant to emergency nursing practice. We recognize this is a challenging time for emergency nursing worldwide with nursing shortages and staffing crisis. Our goal is to inspire the emergency nurses of today to feel empowered in their careers, take their education and innovation to the next level, and ultimately thrive in this specialty. This is a terrific opportunity to share your research, clinical practices, knowledge, and commitment to emergency nursing with colleagues from across Canada.
