hospital corporation

---

Our client, the Yukon Hospital Corporation (YHC), consists of three acute care hospitals located in Whitehorse, Dawson City and Watson Lake serving residents of, and visitors to, the Yukon, as well as residents of northern areas of British Columbia and parts of Alaska. YHC works closely with other service providers in the Yukon, British Columbia and Alberta to ensure that healthcare services are coordinated and that the transition to and from the acute care setting is seamless.

The position is based at the Watson Lake Community Hospital which is one of the Yukon's smaller centres, providing a full range of services, including 24/7 emergency care, inpatient care, ambulatory care, diagnostic imaging and laboratory services.

With an annual budget of \$5.5M, Watson Lake Community Hospital has 6 inpatient and 6 outpatient beds and approximately 30 employees on their team.

Come join YHC Leadership team as the new:

## Clinical Care Manager

We are looking for an engaging and compassionate clinical leader who is a champion of clinical excellence and innovation in delivering high quality care. In addition, you are a leader who fosters strong relationships, demonstrates results and enables outstanding patient experiences. As a skilled leader, you will promote transformational care, build high performing teams and establish collaborative partnerships with our community. You will have the responsibility, authority and accountability for the clinical, financial and health human resources of the Community Hospital on a 24-hour basis.

Reporting to the Director of Community Hospitals, the new Clinical Care Manager will have a Diploma or Baccalaureate Degree in Nursing, a minimum of three to five years of nursing experience related to the Emergency Department, be registered with the Yukon Registered Nurses Association and have current CPR certification.
